

What is RYLA?

RYLA emphasizes the development of leadership skills, citizenship and community service through a 3-day conference filled with group activities focused on listening and communicating, time management, team building, and public speaking. Young adults will gain awareness of ways to manage their own lives, serve their communities and make their mark on society.

The Role of Clubs

The support and interest of individual clubs is a critical element in planning a successful RYLA at any level.

Rotary clubs make RYLA happen.

Clubs are responsible for selecting participants and funding their attendance.

The clubs and our district committee involved in running RYLA programs are charged with introducing participants to Rotary ideals and values.

In general, clubs are the primary contact point for most youth participants throughout their RYLA experience.
